TECHNICAL DATA

SPECIFICATIONS

Main body material	Aluminium
Gasket material	HNBR, suitable for immersion in the fuel
Finishing	Anodized
Weight	1,110 kg

PACKAGING

Assembly	The product is supplied ready to use
Package type	Carton box
Package dimensions	120x125x170 mm
Package contents	Anti theft device, lid, adapter, multilanguage manual

ACCESSORIES

	code	version	item	description	qty	available[M/Y]	
						from	to
	054501012	V1.1	GENESIS UNIVERSAL MOUNTING TOOL	Tool to assist installation of Kockon products		10/14	
	784515100	V1.0	AL-CAP KIT FOR M2 BASE MODULE	Upgrade Kit which fits on Kockon Mach II base module. The kit is composed of an aluminium cap mounting ring which fixes using 4 screws (supplied with kit) and an o-ring which seats the cap mounting ring onto the upper plate of the Kockon. Includes a low profile locking cap with 105 type 2 point bayonet mount.		11/14	
	784515101	V1.0	UNI-CAP KIT FOR M2 BASE MODULE	Upgrade kit for Kockon Mach II base modules. Consists of an aluminium high profile cap mounting ring and o ring seal for seating onto the upper place of the Kockon base module. Made to allow use of the majority of original vehicle fuel caps which would normally not fit on Mach II Kockons due to their height.		11/14	
	784516200	V1.0	BE4P Upgrade Kit for MII SYSTEM BASE MODULES	Upgrade Kit which fits on Kockon Mach II base module. The kit is composed of an aluminium 4 point bayonet cap mounting ring which fixes using 4 screws (supplied with kit) and an o-ring which seats the cap mounting ring onto the upper plate of the Kockon. It allows use of the original die cast bayonet cap.		11/14	05/15

	786010010	V1.0	ZIP SAFETY CAP UPGRADE KIT	Upgrade kit for Kockon Mach II base modules. Consists of a self closing ventilated fuel cap without lock which can be fitted through a rapid mounting procedure by the end user without having to remove the Kockon from it's installed position.	11/14	05/15
	786010011	V1.0	ZIP LOCK SAFETY CAP UPGRADE KIT	Upgrade kit for Kockon Mach II base modules. Consists of a self closing ventilated fuel cap with lock which can be fitted through a rapid mounting procedure by the end user without having to remove the Kockon from it's installed position.	11/14	05/15
	786010019	V1.0	ZIPPER WIRED UPGRADE KIT	Upgrade kit for Kockon Mach II base modules. Consists of a self closing ventilated fuel cap with a built in electronic activation switch and wire connection which can be used to trigger events upon fuel cap opening. Can be fitted through a rapid mounting procedure by the end user without having to remove the Kockon from it's installed position.	11/14	05/15
	786010029	V1.0	ZIPPER WIRELESS UPGRADE KIT	Upgrade kit for Kockon Mach II base modules. Consists of a self closing ventilated fuel cap with a built in electronic activation switch and wireless transmitter which can be used to trigger events upon fuel cap opening. Includes it's own receiver unit and buzzer which warns the vehicle cabin occupant of cap opening. Can be fitted through a rapid mounting procedure by the end user without having to remove the Kockon from it's installed position.	11/14	05/15
	786015101	V1.0	XXL-CAP KIT W/LOCK FOR M2 XL BASE MODULE	Upgrade Kit which fits on Kockon Mach II base module. The kit is composed of a extra-extra low thermoplastic cap mounting ring which fixes using 4 screws (supplied with kit) and a dedicated gasket which seats the cap mounting ring onto the upper plate of the Kockon. Includes a low profile locking cap with automotive type 2 point bayonet mount and locking key.		09/15
